"Seeing is Believing."

And a good lamp must be simple; when it is not simple it is not good. Simple, Beautiful, Good—these words mean much, but to see "The Rochester" will impress the truth more forcibly. All metal, tough and seamless, and made in three pieces only, it is absolutely safe and unbreakable. Like Aladdin's of old, it is indeed a "wonderful lamp," for its marvelous light is purer and brighter than gas light, & softer than electric light and more cheerful than either.

Look for this stamp-The Rochester. If the lamp dealer hasn't the genuine tochester, and the style you want, send to us for our new illustrated catalogue, ROCHESTER LAMP Co., 42 Park Place, New York City.
